* No perishables or used items please

* We really need the small travel size items for the care packages

Our Goal

Our goal is to raise funds over the next year, so that 10,000 or more individual care packages can be sent overseas. Now every American has an easy way to individually or corporately energize our heroic soldiers who are risking their lives overseas. You can find out more about our organization at www.soldiersrus.org. Thanks again for supporting our troops.

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ Our Mission ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

"Soldiers R U.S." is a non-profit organization that supports all branches of the military. Troops are a part of all of us and truly represents the sons and daughters of the United States. The first shipment of non-perishable items was sent on December 7th, 2004, so that 30-50 soldiers were assured bonus Christmas presents.
